70VENTI

Il sistema 70VENTI si propone come soluzione estetico/funzionale per la configurazione di luoghi di lavoro minimalisti ma efficienti al tempo stesso. Le configurazioni si evolvono liberamente condividendo gli elementi strutturali, con vantaggi estetici ed economici. La configurabilità e la condivisione permettono un ideale adattamento all'ambiente di lavoro ed una flessibilità in continua evoluzione.

Le système 70VENTI offre l'esthétique idéale et la solution fonctionnelle pour un milieu minimaliste mais efficient en même temps. Les différents postes de travail peuvent être assemblés facilement en partageant les éléments structurels avec des avantages esthétiques et économiques. La polyvalence et le partage permettent une idéale adaptation au milieu de travail et une flexibilité constante.

The 70VENTI system offers the ideal aesthetic and functional solution for a minimalist but at the same time efficient work environment. The various workstations can be assembled in free patterns utilizing common structural elements. This offers obvious aesthetic and economic advantages. Its adaptability and the sharing of structures allow the maximum adaptation to the work environment and continuous flexibility.

Gli schermi, realizzati in vari materiali, garantiscono un funzionale livello di privacy. Il profilo superiore orizzontale, attrezzabile con accessori porta cancelleria, rende il piano di lavoro spazioso e pratico.

Les écrans sont réalisés en différents matériaux en garantissant un niveau fonctionnel de confidentialité. Le profil horizontal supérieur peut être équipé avec compartiments de plumier en donnant à la surface praticité et ampleur.

Screens are available in various materials and guarantee a good level of privacy. The top profile is horizontal and can be equipped with storage stationary compartments. The work surface is ample and practical.

I tavoli riunione componibili sono proposti nelle 4 finiture: bianco, grigio chiaro, rovere sbiancato e rovere scuro con strutture verniciate in bianco o metallizzate. La versione direzionale è invece offerta con base a cavalletto chiuso verniciata cromo.

Les tables réunion à éléments sont disponibles en quatre finitions : blanche, gris clair, chêne blanchi et chêne foncé avec structures laquées blanches ou métallisées. La version directionnelle est disponible avec base à chevalet fermé laquée chrome.

Meeting tables can be provided in four different types of finish: white, light grey, bleached oak or dark oak, the structures varnished white or metallic finish. The executive version is available with a chrome finish base.

I posti di lavoro si trasformano, con estrema semplicità, in funzionali banconi-reception, risolvendo in modo integrato qualsiasi esigenza di accoglienza al pubblico.

Les postes de travail peuvent être convertis en bureaux réception fonctionnels en résolvant ainsi toutes exigences d'accueil aux clients.

Work stations easily can be converted into functional reception desks, thus solving a problem when attendance to clients is required
